

Highfield St Matthew's CE Primary School

Geography Long Term Plan

	Autumn	Spring	Summer
	Geographical Skill and Fieldwork	Global Issues	Human/Physical Geography
Reception	Navigating classroom and outdoor areas. Treasure hunts to find places/ objects within learning environment Use world maps to show children where some stories are based	Trip to local park (link with seasons) Recycling and how it can take care of our world. What rubbish can do to our environment and animals. How we care for the natural world around us.	Environments – Features of local environment Maps of local area Comparing places on Google Earth – how are they similar/different? Other countries – flags, local customs and traditions/ traditional foods
Y1	What's it like where we live? – UK	What are the seasons?	What is it like to live in Antarctica? (comparison)
Y2	Where are the 7 wonders of the world? (the continents, oceans and seas)	Where does our food come from?	What is it like to live in Kenya? (comparison)
Y3	Where on Earth are we?	How long can our world last?	What is it like to live in France? (comparison) Focus on Wigan's twin town Angers
Y4	What's underneath my feet?	Does every drop matter?	What is it like to live in Australia? (comparison)
Y5	Should we climb every mountain?	Where can I call home?	What is it like to live in Brazil? (comparison)
Y6	Map reading – The UK	Where on Earth does it all come from?	What is it like to live in London? (comparison)
